

SPOKANE COUNTY SHERIFF'S OFFICE
TRAINING ANNOUNCEMENT

Electronic Evidence Collection

DATE: February 27th, 2013 0800-1700

LOCATION: SCSO Training Center
10319 E. Appleway
Spokane Valley, WA 99206

COST: FREE

DESCRIPTION:

This one-day course is intended for law enforcement first-responders who have no previous digital forensics training, but who have basic computer skills. Students are encouraged to bring a laptop on which they have administrative rights to install applications.

Students will receive guidance for securing and seizing electronic evidence including computers, removable storage devices, and cell phones. Topics covered will include identification, on-site triage, and securing electronic evidence.

Due to the licensing restrictions of some of the software tools demonstrated, this class is limited to law enforcement officers only.

REGISTRATION:

To register, please visit www.wrctc.org, click on "Course Schedules" and find the Spokane course.
